

Key or Proximity Reader?

A guide to classroom access at CNM Westside Campus

Use this guide to find out whether a physical key, or your CNM ID card is required to access your classroom.

Physical Key

Contact Westside Campus Key Custodian Carrie Ayoub at cayoub1@cnm.edu, or at (505) 224-5442 to request a key.

Proximity Reader

Use your CNM ID Card to access the classroom. Hold your CNM ID card near the proximity reader until light turns green and door unlocks. If you are unable to unlock your classroom with your CNM ID card, contact Carrie Ayoub to have the appropriate permissions programmed onto your card.
