To Dr. Sydney Gunthorpe:

It is our pleasure to increase the tuition reduction provided by the University of Phoenix to Central New Mexico Community College's employees and eligible students from the current five percent (5%) to ten percent (10%). This tuition reduction remains subject to the terms and conditions of the Alliance Memorandum of Understanding by and between University of Phoenix, Inc. and Central New Mexico Community College, entered into as of June 18, 2013. This change will become effective on June 23, 2014 "Effective Date".

If you have any questions or concerns please contact Lena Rodriguez, your University of Phoenix Workforce Solutions Advisor as soon as possible to discuss this further. Furthermore, unless you respond otherwise, we will assume that you accept the increased tuition reduction set forth herein.

We look forward to continuing our successful working relationship.

Sincerely,
