

Standardized Course Scheduling Times Monday – Thursday

To offer students the largest number of opportunities to register for as many courses as possible and more effectively reach their graduation goal, standard time blocks have been established. If a standard set of patterns is chosen with compatible starting and ending times, schedules will fit together more easily.

The below scheduling time patterns are based on required contact hours per class meeting (total contact hours/(number of weeks*number of meetings per week)).

Contact hours per meeting per week	(*see note) < 0.51	0.51-1		1.1-1.5		1.51-2		2.1-2.5		2.51-3		3.1-3.5		3.51-4	
Meeting duration		0:50		1:15		1:45		2:15		2:45		3:15		3:45
