

How to Self-Enroll in Brightspace Jump Start for Learners

CNM will be switching to a new Learning Management System (LMS) called Brightspace (D2L) on December 18, 2020. This is how to self-enroll in the Brightspace Jump Start for Learners course.

Step 1

Navigate to [Brightspace](#) and login with your regular CNM username and password.

Click on **[Course Catalog]** on the Navigation Bar

Note: If you're already in a course you will need to hit the CNM Logo in the top left of the page to get back to your homepage for the Course Catalog option to appear in the Navigation Bar.

Step 2

Home

Browse Courses

My Courses

If your username doesn't appear in the upper right corner, click **[Log In]**. It should automatically log you into the catalog.

Click **[Browse Courses]** in the top right of the page

Step 3

[Brightspace Jump Start for Learners](#)

Provides learners with important information to get started in Brightspace. ****This is intended for LEARNERS only****

Ongoing

Click on the **[Brightspace Jump Start for Learners]** course

Step 4

Click on the orange **[Enroll]** button

Step 5

Click **[Launch Course]** to enter the course

Step 6

You will receive a confirmation email immediately. To confirm your registration you can also return to your Brightspace CNM Homepage and the course should appear in the **[My Courses]** section under the **[Development]** semester.

Thank You!
