Essential Academic Skills Review

Get familiar with the format, scope, and content of the Essential Academic Skills (EAS) online assessment. Learn test-taking strategies based on knowledge and experience with the online EAS assessment and practice exercises in each subtest area: Reading, Mathematics, Comprehension, Technology Literacy, and Written Expression/Constructed Response.

Choose from sessions:
March 21, June 20, or Sept. 19, 2020
9 AM to 4 PM
CNM WORKforce Training Center
5600 Eagle Rock NE
Albuquerque, NM 87113
