

Information Technology and Computer Information Systems Certifications

In order to receive Credit for Prior Learning (CPL), you will need to:

1. Be a current CNM student with a degree or certificate program listed as your declared major.
2. Print and complete this form.
3. Take the completed form to the Cashier's Office and pay the non-refundable fee of \$25.00.
 - o You may instead pay online at the [CPL Store](#) but you will need to include a copy of the receipt with your request. Proof of payment will be required in order to process your request.
4. Present this form, completed and with proof of payment, your valid, current certification(s) or credential(s) (*no more than 3 years old*) as listed below, and a government issued photo ID to the CNM Records Office at Main Campus during normal business hours.
 - o Alternately, you may scan and email this form, supporting documentation, and a copy of your government issued ID to gradeval@cnm.edu.
 - o Please be aware that all licenses and/or certifications may be checked for validity through their corresponding agency. Incomplete or invalid requests will not be processed.

Credit for Prior Learning

Information Technology and Computer Sciences Certifications

Additional information regarding Credit for Prior Learning:

- The Records Office awards Credit for Prior Learning for several classes in the School of Business, Information and Technology. Any certifications not listed on this form must be presented to the School of Business, Information and Technology
- If you are using transfer work to meet the general education coursework requirements, official transcripts must be on file at the CNM Records Office prior to submission of this form. In addition, if you are using transfer work to meet degree requirements, you must still meet the CNM graduation residency requirement before being eligible to graduate.
